Eminence at the Oscars 2010...

The stars were shining and bright in Hollywood this week as **Eminence Organic Skin Care** helped celebrate the 82nd annual Academy Awards in style! The GBK Gifting Lounge was once again the hot ticket in town and Eminence was thrilled to be a part of the successful event for the 2nd year in a row, offering award nominated celebrities decadent organic skin care to help them get beautiful before their walks down the red carpet.

Sherri Sheppard from
The View, Precious

As always, the gift lounge boasted more Oscar related celebrities than any other suite in town including Best Actress nominee **Gabourey Sidebe** (*Precious*), **Sherri Sheppard** (*Precious, The View*), Oscar Nominee **Angela Basset** (*How Stella Got her Groove Back*), **CCH Pounder** (*Avatar*), **Gedeon Burkhard** (*Inglorious Basterds*), **Quinton Aaron** (*The Blind Side*), **Sharlto Copley** (*District 9*), Oscar Winner **Mira Sorvino** (*Reservation Road*), and many, many others.

This year the event was not only to celebrate the accomplishments of Hollywood but to raise funds and awareness for Haiti relief efforts. In addition to the gifting suite, VictoryPoker.net and Team Victory pros sponsored a celebrity poker tournament benefitting victims of the earthquake and raising nearly \$30,000 for Haitians in need.

Tournament participants included GBK CEO Gavin Keilly, VictoryPoker.net CEO Dan Fleishman, actors **Jimmy Jean-Louis** (*Heroes*), **Shaun Toub** (*Iron Man*), **Shannon Elizabeth** (*American Pie*), **Gilles Marini** (*Sex in the City*), and more showing their poker prowess at the card tables.

Eminence was proud to offer all the stars assorted gift bags containing some award winning products like our Peach Masque, Blueberry Shimmer Body Lotion as well as our wildly popular Mango Night Cream and one thing was for sure – the recipients were blown away...and ravenous! “Smells good enough to eat; it’s making me hungry!” Said **Sherri Sheppard**, who echoed the same thoughts of **Tinsel Korey** from *Twilight: New Moon* who asked “How do you not eat it? It smells so good!” and **Josh Sussman** from *Glee* who said “Oh my gosh...this smells like real food! Yum!” I think it’s safe to say that our delicious products really do smell as impressively as they work!

More about Us...

Éminence Organic Skin Care embodies more than half a century of herbal craftsmanship and experience, and several centuries of unsurpassed skin rejuvenation techniques unique to Hungary and delivers the highest quality natural skin care to leading salons, spas and their clients. Our superior spa treatments rely on a unique combination of hand-picked fresh ingredients which are hand-mixed with pure waters drawn from a thermal hot spring lake containing minerals and trace elements found nowhere else on earth. All of our products are handmade in Hungary without any heating or hydrogenating processes. Clients will immediately see and feel the difference evolving from the extremely high fruit content, and high level of active ingredients. Vitamins are captured in their all-natural fresh base, offering dramatic results as actual seeds, pulps and peels begin the regenerative and healing powers that only nature can produce.

Eminence ingredients are free of parabens and other harsh chemicals and are guaranteed to be 100% natural to ensure that the clients see and feel the dramatic results associated with the Eminence line. Eminence products have never been tested on animals, and our packaging is 100% recyclable. Experience the world of Eminence, naturally yours since 1958.
